ROY MAZZANTI MEMORIAL AGRICULTURAL SCHOLARSHIP

As a continuing memorial to Roy Mazzanti, the Mazzanti family has established this scholarship fund with the purpose of providing aid to students who wish to pursue careers in the agriculture industry. Up to one \$500.00 scholarship will be awarded annually.

Who is eligible?

Any student entering or attending an accredited two-year or four-year college or university and pursuing an education in preparation for a career in any agricultural field.

How are recipients selected?

The Roy Mazzanti Memorial Agricultural Scholarship is awarded based on the student's recognized and demonstrated desire to pursue a career in the agriculture industry. In addition to academic performance, this award will focus on student's commitment to succeed and their career goals.

Distribution of Funds

The recipient must submit official proof of registration showing the student's full-time enrollment before funds will be disbursed. The student must also have a declared major in agriculture or a related field. This documentation must be sent directly from the recipient's college to the SJFB Foundation for Agricultural Education office.

A scholarship check will be sent directly to the recipient's college, which may credit the recipient's account for tuition, books, laboratory fees, or other academic costs.
