

THE HENRY C. LONG MEMORIAL SCHOLARSHIP

Application for the year 2024

Submission Deadline: Friday, March 29, 2024, by 4 pm.

The Henry C. Long Memorial Scholarship Fund was established by his family to provide aid to a student pursuing a college degree leading to a career in the agriculture industry.

Mr. Long was the third generation of an over 100-year farming legacy. His lifelong commitment to agriculture and community service led him to serve on the boards of numerous organizations, including the San Joaquin Farm Bureau for over 50 years. He received recognition throughout his life for his many contributions to agriculture, including induction into the San Joaquin County Agricultural Hall of Fame in 2012.

Awarding the scholarship is contingent on acceptance and enrollment in a two- or four-year college and a complete application, including an essay demonstrating the applicant's passion for agriculture. The scholarship is a grant, and recipients are encouraged to use their education and future careers to give back to their communities.

Under the guidance and participation of the Reece family, The Henry C. Long Memorial Scholarship is administered by the SJFB Foundation for Agricultural Education, a non-profit educational organization. Each year the family will graciously give a \$1,000 scholarship to the deserving candidate.
